re: **Runnings, et al. v. Dollar Tree Store, Inc.**

Dear Ms. McClain:

Pursuant to the discussion before the Court earlier today, this letter will serve as confirmation that the informational correspondence at issue at today's hearing was mailed to each California Dollar Tree store (according to public records), had the word "Newsletter" printed on each envelope and was addressed to the attention of the "Store Manager" for each location.

If you have any further questions in this regard, please let me know. Thank you.

Very truly yours,

RAMON D. RAMIREZ
